

Jamal Tarrabain – Environment Faculty Representative

I hope everyone is enjoying the end of November. The students in my faculty are quite busy at the moment preparing for finals and as such it is a tad more difficult getting responses about what they would like to see implemented, but I will work harder to increase my outreach.

Environment Faculty

- Prof Talks
 - Were successful
 - Good attendance
 - Provided food
 - Was held in the coffee co-op
- Apple Picking
 - In planning stages
- Coffee Co-Op
