Whereas, McGill students have historically fought against investments in companies that demonstrate lack of accountability, ethicality, and respect for the rights and dignity of others⁴;

Whereas, the following illustrative and non-exhaustive list of companies in which McGill University invests⁵ enable and profit from human rights abuses and violence;

Whereas, Oshkosh, RE/MAX, Toyota and Mitsubishi profit from the illegal occupation of the Palestinian territories, violating the universal right “to life, liberty, and security of person”, “to education”, “to privacy, family [and] home”, “to own property and... [not to] be arbitrarily deprived of property”⁶;

Whereas, Volvo “provides heavy machinery used for the demolition of Palestinian houses in the West Bank and East Jerusalem, construction of Israeli settlements and construction of the Separation Wall” and “provide[s] services to the Israel Prison Service, including buses for the transportation of prisoners”⁷;
