

Motion Regarding the SSMU's Policy on Accessible Education

Whereas, the Couillard government has imposed austerity measures and cuts of approximately \$205 million dollars to University funding;

Whereas, this translates to around more than \$20 million dollars in cuts to McGill University alone;

Whereas, the Quebec government increased French student tuition this year by around 180% (from \$2300 to \$6600);

Whereas, in 2008 McGill University successfully lobbied the Québec government for a deregulation of tuition fees for six programs (Applied Science, Mathematics, Engineering, Computer Sciences, Management, and Law);

Whereas, the Politique québécoise de financement des universités released this year and similarly calls for deregulation of out-of-province and international tuition in all programs and at all levels;

Whereas, the Students' Society of McGill University (SSMU) has previously had a Policy Regarding Accessible Education (2007) and a Motion Regarding Renewing Support for Accessible Education (2012);

Resolved, that the SSMU adopt the following policy regarding accessibility to postsecondary education:

- Support for high-quality, universally accessible post-secondary education as a human right,
- Opposition to any mechanism or legislation that would permit a non-consensual increase in student fees for any student, whether Quebecker, Canadian, or international,
- Call for a public re-investment in post-secondary education from all levels of government,
- Call for the elimination of all financial barriers to a high-quality post-secondary education, and advocate for a progressive reduction of tuition fees for all students, including the eventual replacement of any and all ancillary and tuition fees with alternative methods of funding post-secondary education,
- Work with elements of the Quebec and Canadian student movements that share these goals,

Resolved, that the SSMU specifically oppose any mechanism to raise tuition for any and all of its members;

Resolved, that the SSMU mobilize its members against the provincial austerity measures.
