- Carried out second reading of the motion for final reading at this week's council.

3.0 General Assembly

Motion Regarding Ethical Investments at McGill

- No comments

Motion Regarding Installation of a Bouldering Wall

- No comments

Motion Regarding [Iran War]

- Name of motion: There is currently no Iran War, therefore the name of the motion should be changed to reflect the hypothetical nature of parts of the motion.
- Content: Deemed potentially divisive and external and therefore may require a quorum of 500 people, so the GA staff should be prepared to host at least that many students.
- Policy vs. Motion: Parts of the motion appeared to be crafted as a policy, whereas it was written as a motion. Referred back to movers to clarify.

Motion Regarding Renaming the SSMU Breakout Room

- No comments

Motion Regarding Renewing Support for Accessible Education

- No comments

In-Camera Session

- There will be an in-camera session at the end of the Council meeting.

Respectfully submitted,

Nida Nizam

On behalf of the Speakers of Council
