Motion Regarding the Physical Labeling of the Madeleine Parent Room

Whereas, the movers of the General Assembly motion did not provide a concrete solution to changing the physical labeling of the former Breakout Room to the Madeleine Parent room;

Whereas, physically renaming the space will incur an unknown cost to the SSMU;

Resolved, that the SSMU Vice-President (Clubs and Services) and the Vice-President (Finance & Operations) work together to create a budget and implementation timeline for re-labeling the Madeleine Parent room, to be presented no later than the third Legislative Council meeting of 2013.
