

REGULAR SMALL EVENTS

Full Status Club Application

*This option is for groups such as dance clubs which have substantial regular meetings. These should be at least twice each month to be considered for full status. They should also be at least an hour in length and be focused on non-event planning discussions. We recommend that a Clubs and Services Representative is invited to observe one of these events. Feel free to include pictures, posters, or other materials you have from these events. Please submit the budget form, as well, if **any** money was involved.*
