

Motion Regarding Adding Clubs and Services Representatives to SSMU Council to Interest Group Committee Terms of Reference

Whereas, Council Clubs and Services representatives currently are not mandated to be on the Interest Group Committee,

Whereas, the proposal to divide the current “C&S Rep” positions into two Clubs Representatives and one Services Representative to make the position's role and constituency more clear is also currently being discussed at Council,

Whereas, the procedure for approving “representatives from clubs and services” as defined in the current Terms of Reference is not clear nor clearly differentiated from the C&S Representative positions,

Resolved, that the Interest Group Committee terms of reference be amended as outlined below.

Allison Cooper, Vice-President (Clubs and Services)
Zachary Rosentzweig, Clubs and Services Representative
