

Motion Regarding Amendment to SSMU By-Law I-24.2

Whereas, the SSMU By-law I-24.2 states that “the executive board members of FYC shall be elected for a term of one year during an election occurring before October 15th,”

Whereas, the First Year Council elections have a lower amount of candidates due to the elections being later than most other first year committees,

Whereas, October 15th disallows some of the executive board members to begin some of their mandates efficiently,

Resolved, that the SSMU change By-law I-24.2 to read:

“The executive board members of the FYC shall be elected for a term of one year during an election occurring before September 30th”
