

**Motion Regarding Amendments to Bylaw II-4, Article 4.1**

*Whereas*, SSMU's legal advisors have recommended a change to our policy on clubs signing contracts/written agreements because of the potentially huge liabilities it opens us up to,

*Whereas*, the spirit of bylaw II-4 article 4.1 is in this direction but still allows for potentially dangerous contracts to be signed by clubs,

*Whereas*, this procedure needs to be clear for clubs,

*Resolved*, the current Bylaw II-4-4.1 be replaced with the following edited version:

4.1 Chief financial officers of SSMU Clubs shall submit all potential contracts **involving any monetary value or obligations on the part of the Club** to the Vice President Clubs and Services for evaluation before signing the contract. The Vice President Clubs and Services shall evaluate the legal and financial soundness of the contract **with the advice of the General Manager** and return it to group in an expedient manner.
