

**Athletics Roundtable
Report to Legislative Council
April 10th, 2014**

Meeting

- April 10th 2014

SSMU Interaction

- *General:*
 - Met with outgoing President
 - Hoping to reformat the Athletics Roundtable
 - Ineffective format this year
 - Will be working throughout the months of April and May with the outgoing and incoming Presidents to structure format of “Roundtable” moving forward
 - Current thought is to simply send two SSMU representatives (SSMU VP Internal & SSMU Councilor assigned to Athletics Roundtable) to the Athletics Council as representatives
 - Continue allocating members to Senate/McGill Committees assigned to Athletics
 - Work with Athletics Council to foster “Lower Campus” and Athletics relationship
 - Believe that this body will work well
 - Discussed methods of Communication
 - Agreed Athletics Council President should contact VP Internal of SSMU moving forward

Submitted, with the utmost respect,
