CLUBS, SERVICES, and INDEPENDENT STUDENT GROUPS

Club Applications: Processed a bunch of these at the last IGC meeting. Need to be approved.

Club Master List Updating: SQ, still an ongoing project. There are a lot of submissions, many more than actual clubs.

Bank-related Forms: The SSMU Comptroller and I are working hard to overhaul the current club finance structure including the forms, workflows, etc

Referenda: Thanks to everyone who voted during the online vote for the referendum questions.

Services Check in Meetings: Round 2: Ongoing, I have met with less than half of them so far but I'm getting there.

Services' Constitution: A lot of services are taking a look at their constitutions and working to update them. I'm meeting regularly with them to answer their questions.

CKUT: We had a Board meeting where we discussed the AGM procedures and brainstormed for next year. The SSMU Rep, Lily Li, has officially been vacated from her seat on the Board for having missed too many meetings without sending regrets.

PROJECTS/ONGOING ISSUES

Activities Night: Have already started brainstorming with the Activities Night Coordinator for next semester.

Office and Locker Allocations: Ongoing, 147 applications total

Club Workshops: Round 2 will be scheduled in the next 2 weeks

Constant Club Feedback: Thinking about adding a constant form to the listserv for anonymous feedback as well as a QA section of the listserv for recurring questions.

Club Audits Restructuring: The Green Events Coordinator is looking into expanding these to include other aspects such as sustainability into a general club accountability mechanism instead of just a financial one.

Clubs Council: Council and Policy Implementation Researcher was hired so this project will be starting soon.
