

Motion Regarding the Closing of the Redpath Library Doors

Whereas, the Redpath library doors were closed in September 2014;

Whereas, the main reason for the closure was due to insufficient security funding¹;

Whereas, the Facebook group "[OPEN THE REDPATH DOORS!!!](#)"² currently has over 800 members;

Whereas, a student initiated campaign and [petition](#)³ is being circulated demanding the reopening of the doors;

Be it resolved, that the SSMU VP (University Affairs) prioritize the reopening of the Redpath doors in her negotiations with the McLennan-Redpath library;

Be it resolved, that the SSMU VP (External Affairs) advise and support the student initiated campaign by advertising the petition and mobilising members of SSMU toward this goal.
