

Motion Regarding the Referendum Question on the SSMU TVM: Student Television at McGill Fee

Whereas the Students' Society of McGill University (SSMU) TVM: Student Television at McGill (TVM) fee exclusively funds and supports the activities of the on-campus television producer and broadcaster;

Whereas the TVM fee structure is currently assessed on a per-credit basis;

Whereas, all other student levied fees are assessed on a per-semester or per-year basis;

Whereas, this discrepancy creates administrative difficulties for both the SSMU and McGill Student Accounts;

Whereas, the proposed fee structure change would not substantially change the amount of funding TVM receives.

Be it resolved, that the SSMU Legislative Council approve the following question for the SSMU Fall Referendum Period,

“Do you agree to restructure the TVM: Student Television at McGill fee from \$0.10/credit per student per semester up to a maximum of 15 credits to \$1.50 per student per semester for full-time students and \$0.90 per student per semester for part-time students, payable and opt-outable on Minerva by all undergraduate students who are members of the Student's Society of McGill University, beginning in Winter 2015 and persisting for the duration of the fee's existence, with the understanding that a majority “no” vote will result in the continuation of a per-credit fee assessment?”
