**Interim Status Applications:**

RTech

The Club's mandate shall be to:

- Provide educational opportunities on campus on the ways of using technological advances in order to more efficiently perform daily work activities (and especially their research component).
- Bind the McGill student and external technology oriented (particularly Montreal software development) communities.

Committee Recommendation: Approve

The Club Committee recommends the approval of RTech due to their score of 25/30 on the Interim Status Approval Rubric.

McGill Students for Action Against Hunger

The Club's mandate shall be to:

- Unite McGill students who are passionate about making global change, learning about malnutrition, and raising awareness to end hunger,
- Expand the community of people who are passionate about food and health by bringing together students, faculty, and industry professionals from different fields to approach world food issues in an interdisciplinary way,
- Create awareness around the work of Action Against Hunger, a global humanitarian organization that seeks to save lives through the prevention, detection, and treatment of malnutrition,
- Raise funds for Action Against Hunger Canada/ACF Canada,
- Host monthly events and provide opportunities for students who are interested in international development, nutrition, environment, and other related fields,
- Network with other McGill clubs as well as firms in the private sector that are interested in philanthropy and have interests aligned with the Club.

Committee Recommendation: Reject

The Club Committee recommends the rejection of this application due to their score of 15/30 on the Interim Status Approval Rubric.
