

**Romita Sur: VP External- Law Representative (Nov 3, 2016)**

**SSMU Equity Committee**

- Been difficult to attend SSMU meetings as they are the exact time as my LSA council meetings and during universal break of the faculty when everything basically happens
- Met with Erin and Simone a couple weeks ago to make a plan for collaborations with groups from the Law faculty. Ex: WOCC, LNFB

**LSA:**

- The report of the Universal Design Coordinator will be published this week in the Quid Novi. The report is very detailed and highlights problems with regards to accessibility, equity, and inclusivity. There are also a few suggestions made to address these problems.
- We had been dealing with an important issue within the Law Faculty in regards to a Professional Program. It created a debate within students but in the end our association wrote a letter of support for the continuation of the program for the time it was allotted.
- Our General Assembly is coming up where we have to get our budget approved
- Our Alumni coffeehouse went really well last week and Tom Mulcair made an appearance as well.

**Events happening in the Faculty:**

- McGill Institute for the Study of Canada and McGill Faculty of Law- Electoral Reform: Should We Change How We Vote: November 1, McGill Faculty Club

The November blues seem to be approaching our faculty with all assignments and midterms piling up, I hope it passes soon!

## ArtSci Representative to SSMU Report

- SSPN threw its first event of the year, 4floors. Went super successful, no cops or ambulances were called. Broke even, maybe even possibly made revenue from the event.
- Funding committee meets for the first time on Monday! Unfortunately, I can't make it due to a midterm at the same time but I'm sure it went well
- The old VP finance for ArtSci faculty resigned so we had a nomination/voting period for a new VP finance. The new one has been appointment and that person is Chelsea Ayukawa. We'll be approving our annual budget at the next meeting
