CLUBS

- With the help of the Vice-President (Operations), I attended the Building and Operations Management Committee on November 22nd to advocate for a club storage idea. A proposal for more club lockers and for club cubbies (note: *clubbies*) was approved! See the Building and Operations Management Committee Report to Council for more information.
- [Registration](#) for Winter Activities Night is now open! Groups can register to table up until December 20th at 11:59 PM. Activities Night will be taking place on January 10th and 11th from 4:00 PM to 7:00 PM.
- I've been working with our Security Manager this week to discuss different ways to steer the Activities Night line given the construction and given the cold weather. We met on Tuesday, November 29th and met with Kevin Byers from McGill Security and with a representative from the Fire Prevention Office on December 1st.
- Met with the Kitchen Manager on December 1st regarding potential catering for Winter Activities Night.
- The Club Workshop Handbook is nearly complete thanks to the help of the Club Commissioner and of the Graphic Designer! The Club Auditor also took a look at it and submitted some additional content to include regarding submitting club audits. I gave the Graphic Designer another week to complete the additions to the handbook; it will be sent out the week of December 5th.
- The SSMU is looking for a new Club Website Designer! If you or anyone you know is interested in applying, please direct them to [this link](#).

- See Services Review Committee Report to Council for information regarding Services Review.

- SSMU Mental Health held its movie night on Wednesday, November 23rd. Attendance was, unfortunately, low, but those who came seemed pleased with the showing, with snacks, and with the chill environment.
- I've received updates from the Mental Health Commissioners regarding the Outreach and Advocacy committees.
 - Outreach committee: Tabling on December 5th in the library to promote mental health during exam period. They also have many social media ideas and have been working hard on Mental Health Awareness Week.
