- Working with permanent staff to ensure that logistics are all taken care of and everyone is on the same page;
- Since we did change the timing of the GA, it is more work under my portfolio to ensure that the event runs smoothly since it is now going to be held outside of the SSMU building, which is challenging when it comes down to coordination (our permanent staff are used to having GAs in the SSMU Ballroom).

Relationship building

- Spinyt Partnership;
- NUS-SSMU MOA Negotiations;
- Presidents' Roundtable being planned for beginning of March;
- Various meetings with Admin;
- Touch based with ASEQ (health provider) on a variety of coordination issues to ensure the smooth running of various ASEQ programs and surveys;
 - Legal survey coming up;
- Had our regular check-in with the Dean of Students;
- In contact with Chef Oliver from the McGill Food and Dining Services to discuss having credit card and one-card vending machines in the SSMU Building;
 - Ongoing discussions about SHHS collaborations;
- TVM x Arts Senator;
 - Michael and I have filmed a video with TVM, as part of videos that are going to be filmed by this year's Senate Caucus.
 - Our video centers on food and its accessibility on campus.

Long-term integrity of the Society

- HVAC and Building Closure Preparations;
- Standardization of various documents and planning procedures;
- Re-structuring and re-focusing of Elections SSMU;
- Board of Directors training and coordination with the SSMU lawyers;
- Negotiation of the McGill-SSMU MoA;
 - Currently, the negotiations are ongoing;
- Finalized the NUS-SSMU MoA.

Respectfully submitted,
