REPORT OF THE VICE-PRESIDENT (INTERNAL) TO COUNCIL

1 December 2011

Events

Exam-time Puppies. Waiting to hear back from Therapeutic Paws about how many dogs we can get so I can build a schedule. Ballroom has been reserved. Will be sitting down with the Building Managers (VP Clubs and Services & General Manager) to discuss the event. I am meeting with them on Tuesday and I am writing this report on a Monday. Will have more information to report orally.

Week101. Created the advertising campaign with our Graphic Designer and submitted it to the Daily. Working in conjunction with SSPN to get the juices flowing.

Faculty Olympics. Status quo.

Café Conversations. I met with Kallee Lins to discuss this event. I am going to host the first one in January sometime, I just need to touch base with the MPCC.

Communications

Social Media. Facebook Profile: 2565 (2%). Facebook Page: 580 (1%). Twitter: 719 (5%).

Listserv. Status quo.

Website. The French translation of the website has hit a bit of a roadblock because our Translator resigned. We will probably be hiring a new translator before the holiday break so let's hope this project is completed by end of January. Otherwise, will be meeting with our web developers to go over the final phase of the project.

Student Staff Updates

Creative Marketing Manager. Status quo. He's been busy with school.

Translators. Still accepting applications for a translator. Email hr@ssmu.mcgill.ca

Old McGill Staff. Had to approve a few more hours for the EIC but otherwise the team is going strong. I'm really excited about all the new pages about Faculty Associations and Senators.

Graphic Designers. Status quo.

Photographer. Status quo.

Alternative Orientation Models Researcher. Still accepting applications.

Meetings

Athletics Board. This meeting happened since I wrote this report. If anything significant happens, will report orally.

Commission des Affaires Francophones. The CAF is getting ready for Francfête. They are also organizing a few French film screenings.

SSPN. SSPN is helping me with basic logistics for Exam Puppies and with Week 101.

Centraide. Celebrity Bartending at Gert's, every Tuesday between 5 and 7! Working with Max Luke to schedule 'well-known- people' on campus to bartend. Their tips get contributed to Centraide.
