Resolution Regarding Executives Reporting to Council

Whereas, the Legislative Council is the ultimate governing body of the Students' Society of McGill University (SSMU);

Whereas, the Executive Committee is largely responsible for both day-to-day operations of the Society and implementing its long-term projects;

Whereas, each member of the Legislative Council has the right to provide feedback on all actions of the Executives;

Resolved, that Executives are obligated to include the following in their reports to the Legislative Council:

- Meetings with all relevant committees of the SSMU Legislative Council, Faculty Associations, McGill University Senate and/or McGill University Board of Governors,
- The Vice-President Finance & Operations specifically report on all financial transactions and budgets over \$1,000,
- The work and progress of student staff within each Executive's portfolio,

Resolved, that Executive reports to the Legislative Council are written with the utmost standards of grammar and professionalism on official SSMU Letterhead.
