

Report to Legislative Council November 1st 2012

Orientation

- Had first OPG meeting today went really well. Received the info from the surveys will be reading through it and bringing a more condensed report shortly. Discussed what the focus for next year should be as well as the objectives for each working group/their relevance. Will be setting up the meeting times for the rest of the working groups and will be developing the critical path after each of them meet once.

Old McGill

- Will be having meeting with staff First week of November.

Committees

- *FAC* – Have a pubcrawl today. Will be setting up the meeting shortly.
- *Athletics* – The athletics people will be sending out the first meeting invite this week.
- *SSPN* – Did a great job helping out with 4floors. Will be meeting soon to debrief/decide on future projects.

Sponsorship – The package is being redesigned. Will bring the new one to approval at exec soon.

Communications

- *Listserv*- Working on better formatting.
- *Social Media Policy* – Working on this should have soon once again have been swamped with 4floors.

Internal

- *Beer Contract*- SQ waiting on MOA to be finished for faculties sign.
- *Beer How to Doc* – Waiting on MOA to finish this.
- *Events Colander* – Working on this hope to have for 2nd semester. Going to set up more meeting about this.
- *4 Floors* – Was yesterday everything seemed to go pretty well. Will be bringing financials and stuff to council. Thanks to SSPN, Execs and everyone who helped decorating and making the night go smoothly.

- *Queens Bus Trip* – Happening today was hoping to sell some more tickets but will be a good indicator of what trips to do in the future. May have sold a bit more if it wasn't rite after 4floors.
