4.1.1 Without prejudice to the generality of Art. 4.1, services provided may include those providing awareness, referral, education and support; however, provision of awareness alone is not sufficient to qualify an organization as a Service.

4.1.2 Services provided should not be those which SSMU would otherwise provide.

4.1.3 Receipt of services should not be contingent upon, or tied to, membership or the holding of an executive office in the Service. Services provided should, subject to financial and logistical constraints, be made available to all members of the Students' Society.

4.2 Services may receive a subsidy from SSMU as part of the budgeting process.

4.2.1 If a service receives such a subsidy it will direct any and all revenue raised beyond what is necessary to offset or recover the costs, including overhead costs, associated with the provision of the service, towards reimbursing SSMU for any subsidies granted to it during the current academic year or in the two (2) academic years previous to it.

4.2.2 Unless and until SSMU is entirely reimbursed by a Service for any subsidies granted to it during the current academic year and in the two (2) academic years previous to it:

4.2.2.1 The Service is strictly prohibited from donating funds to ISGs or organizations external to the Students' Society and from transferring funds, without the authorization of the Vice-President, Clubs and Services, to any other Club or Service within the Students' Society.

4.2.2.2 The Service is prohibited from issuing stipends to its executive officers or members, unless such stipends are approved by the Vice President, Clubs and Services.

4.3 Services must be open to all members of the Society. This does not preclude any distinction or preference necessary for the effective provision of a service that has as its object the amelioration of conditions of

individuals or groups including, but not limited to, those that are disadvantaged because of race, national or ethnic origin, colour, religion, sex, age or mental or physical disability, sexual orientation, or social class.

4.4 All executive officers and voting members of Services must be members of the Students' Society.

Article 5 – Accreditation Procedure for Services

6.4.1 The Vice-President, Clubs and Services shall provide a thorough explanation of City postering laws, either at the Club Executive Training Conference or through other means deemed appropriate.

6.4.2 After this explanation is provided and made available, knowledge of these laws is imputed to the two (2) executive officers who have signed the contract.

6.4.3 Without limiting the applicability of Arts. 6.6 and 8 of this By-Law, failure to sign this document within the requisite timeframe will result in an automatic suspension of a Service's Accreditation. Once the document is signed, Accreditation will, subject to any decision of Council under Art. 8 of this By-Law to the contrary, automatically be restored.

6.5 All Services must ensure that an up-to-date copy of their Constitution is on file with the Vice-President, Clubs and Services.

7.1.1 The Clubs and Services Committee of Council will review one quarter (1/4) of all accredited Services during each the Fall and Winter semesters and will submit a report of their findings to Council at least two (2) weeks prior to the last scheduled meeting of Council for that semester.

7.2 If a Service fails this review and believes it can rectify the situation, it will have two (2) academic months to do so.

7.2.1 A service may choose to waive this time period.

7.2.2 The two (2) month period will begin running from the day a Service receives notice of it failing the review.
