to SSMU Legislative Council  
April 11<sup>th</sup>, 2013**

Office hours: Mondays 3-4pm, Thursdays 11:30am-12:30pm

PERSONAL

Was on vacation over the long weekend and used a couple of my vacation days to extend it; very necessary and wonderful... but yeah only a week's worth of work to report on.

CLUBS, SERVICES, and INDEPENDENT STUDENT GROUPS

**Club Feedback Forum!** Small group but lovely seeing clubs meet each other and hang out. Interesting feedback about room bookings etc .

**Activities Night:** thinking about next Fall more with Stefan and the budget.

**Offices:** Pursuing quotes and capacity for the new office space allocation system furniture (desk+locker set up).

**Lockers:** Finally got quotes and orders!!

**CKUT Board of Directors:** Bylaw change being brought here re: term limits.

**Club Portal – the new Club Hub project!:** I'm really interested in pursuing a contract with the co-curricular project company (CollegiateLink) that McGill has signed a contract with.

**Services:** had some great one-on-one meetings with services about their transitions, and good check-ins with Players miscommunications, Organic Campus cool ideas, and Savoy finances...

OTHER PROJECTS/ONGOING ISSUES

**Advanced Room Bookings:** hoping for August 1<sup>st</sup> integration in the/a new system, and

**SSMURBS:** meeting cancelled today to see new deliverables but bigger conversations about potentially starting fresh with a new system to be had as well.

**Space in Shatner campaign:** report postponed for next Council.

**Event Contracts/procedures:** great meeting yesterday, will report verbally.

**Bylaw review:** I want to table these to ensure it's in line with our new Event Contract stuff and the legal stuff re: clubs I discussed last time, which has yet to be resolved.

**Concordia building project/campaign:** coming up (was cancelled last time)! I got to learn about their student-run fine arts café the other day, so cool!

**302 lighting project:** for next year's budget maybe; very exciting.

#### COUNCIL & COMMITTEES

- **Gardens & Grounds Committee** – SQ

- **Interest Group Committee**—SQ
- **SSMU Office Social Committee**—Josh has been putting good work into healthy food stuff.
