BENEFIT OF THE DOUBT

- **Stressoren**
- **Reaktionen**
- **Kopingsstrategien**

Stressoren = alles, was Stress auslöst

Why ECOLE?

Site for interdisciplinary, applied student research

Hub for sustainability community
• Space, resources, and networks

Model for sustainable living
• Increasing accessibility by showing opportunities, challenges, and solutions

Deconstruct silos of the university & individual-based society
• Moving towards a more sustainable future

- Increasing accessibility by showing opportunities, challenges, and solutions

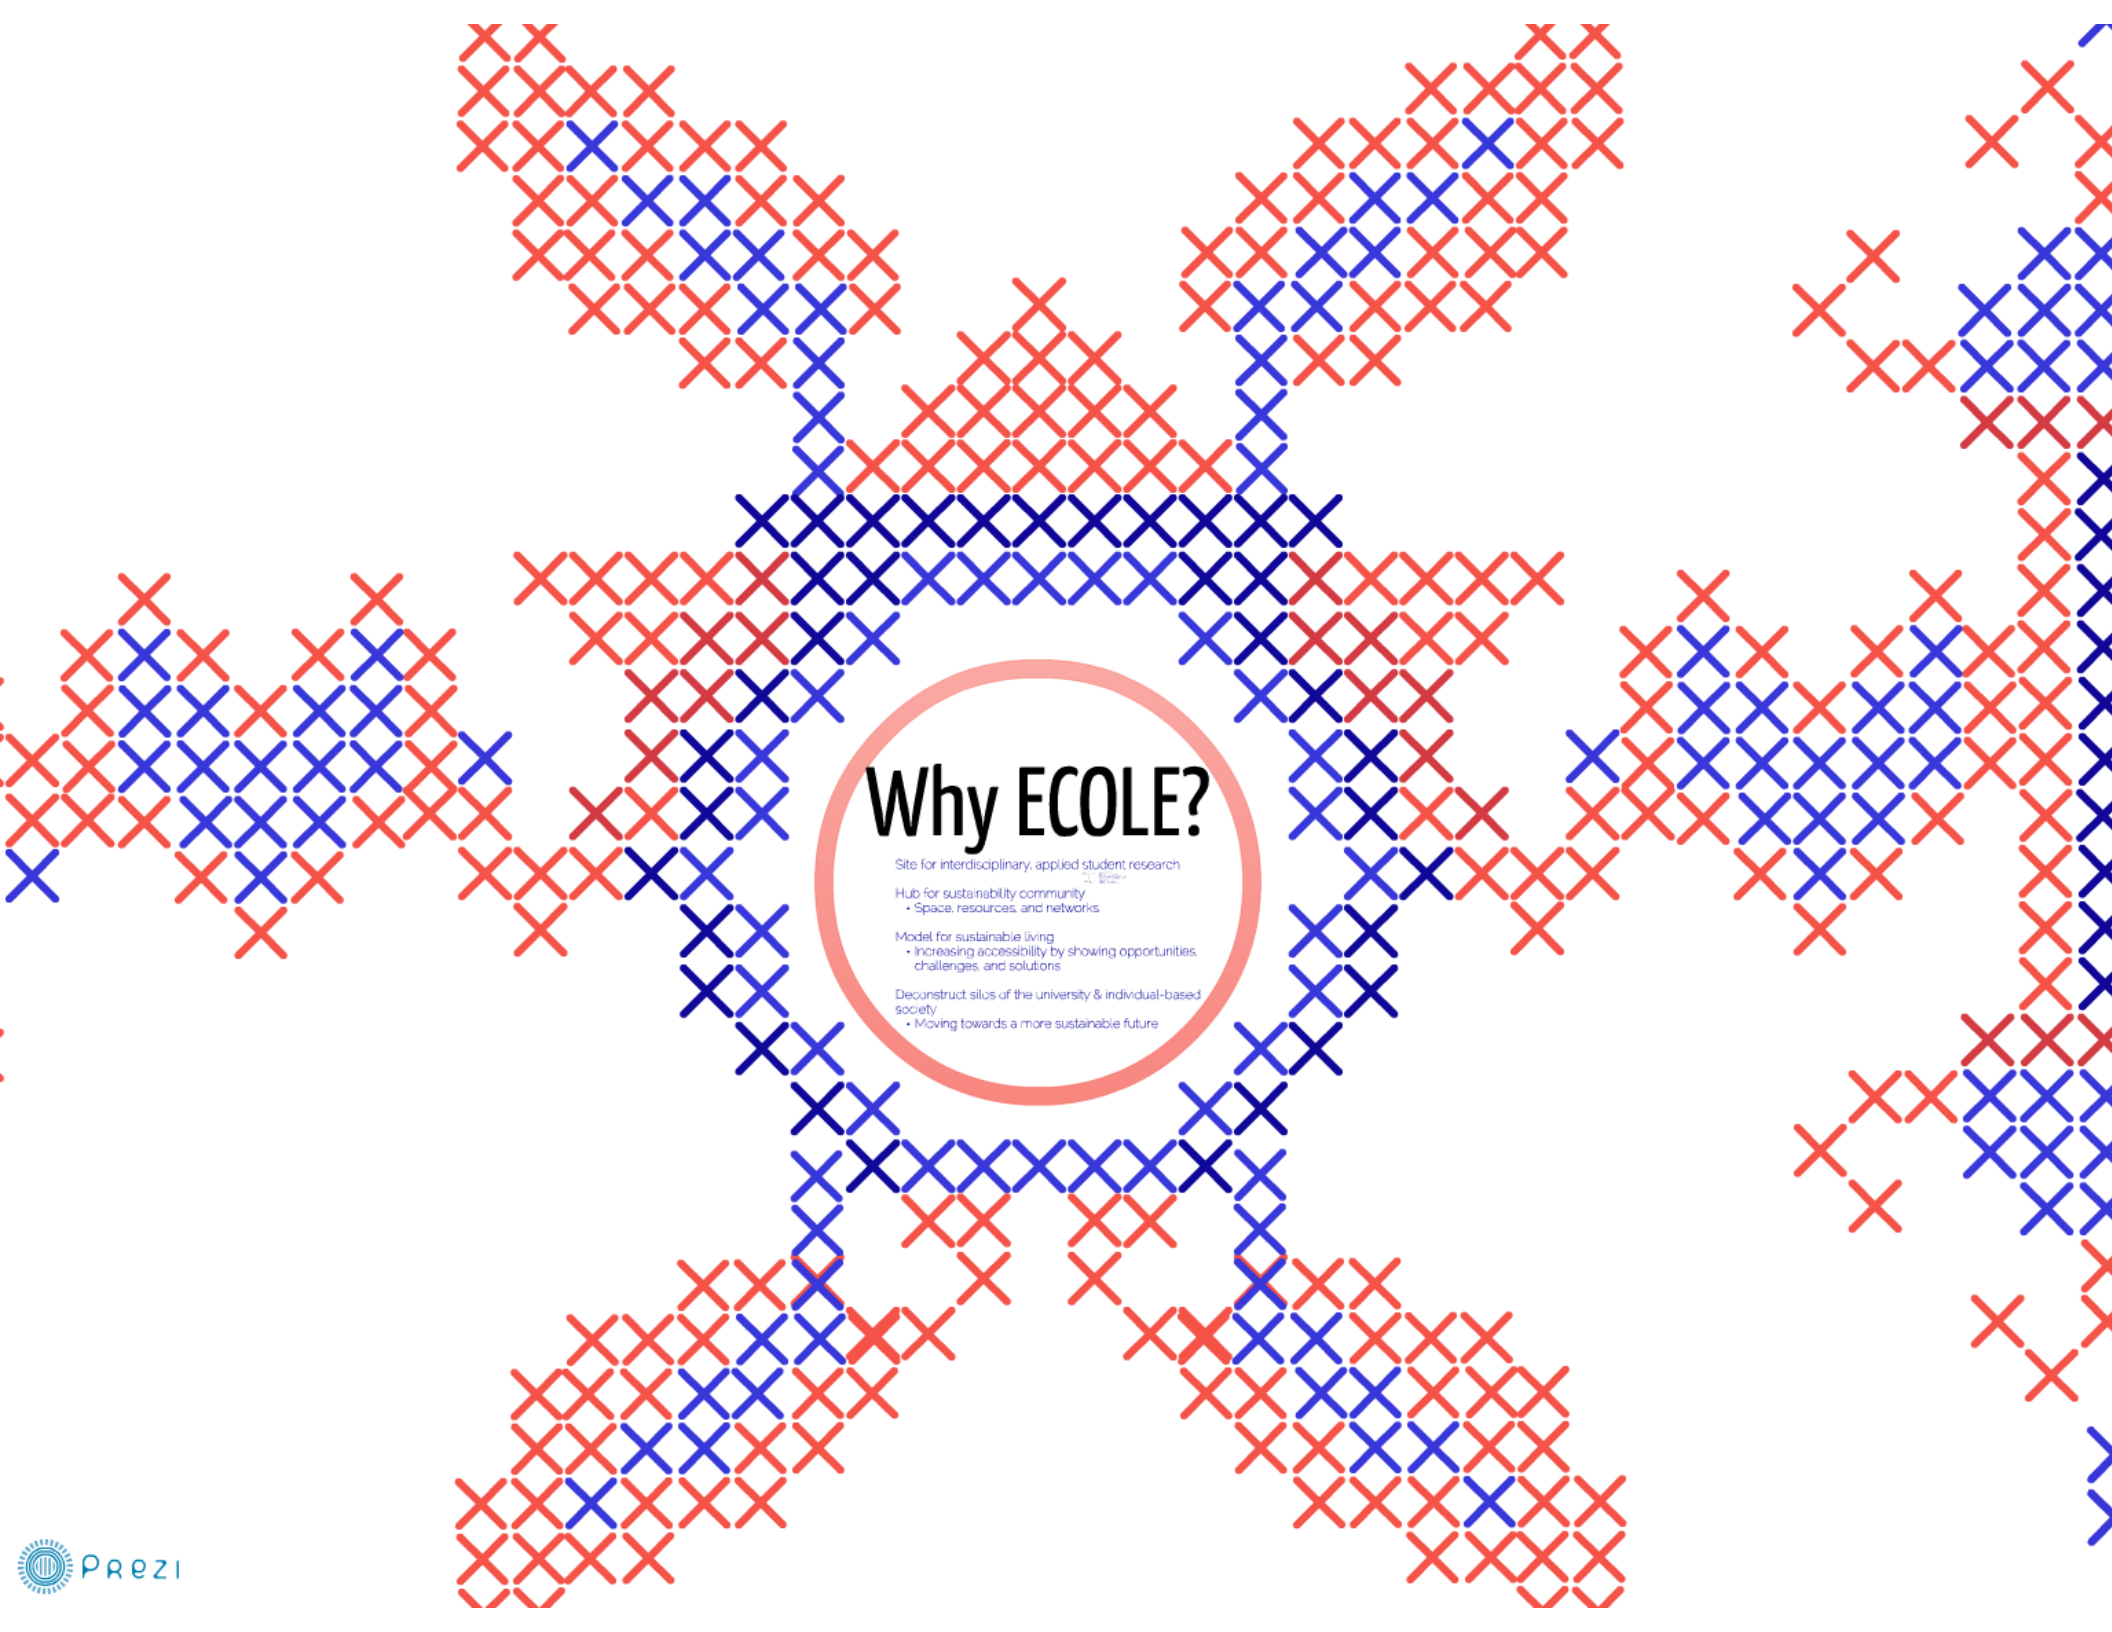

Deconstruct silos of the university & individual-based society

- Moving towards a more sustainable future

student

ECOLE
&
SSMU

- SSMU sustainability mandate
- Benefits SSMU
 - Primarily used by SSMU members
 - Permanent space for SSMU sustainability initiatives
 - Explicitly requested by SSMU green groups
 - MILPA - SSMU Community Ambassadors space
- SSMU influence
 - Student-run space and project
 - Presence on ECOLE Advisory Board

Why ECOLE?

Site for interdisciplinary, applied student research

Hub for sustainability community

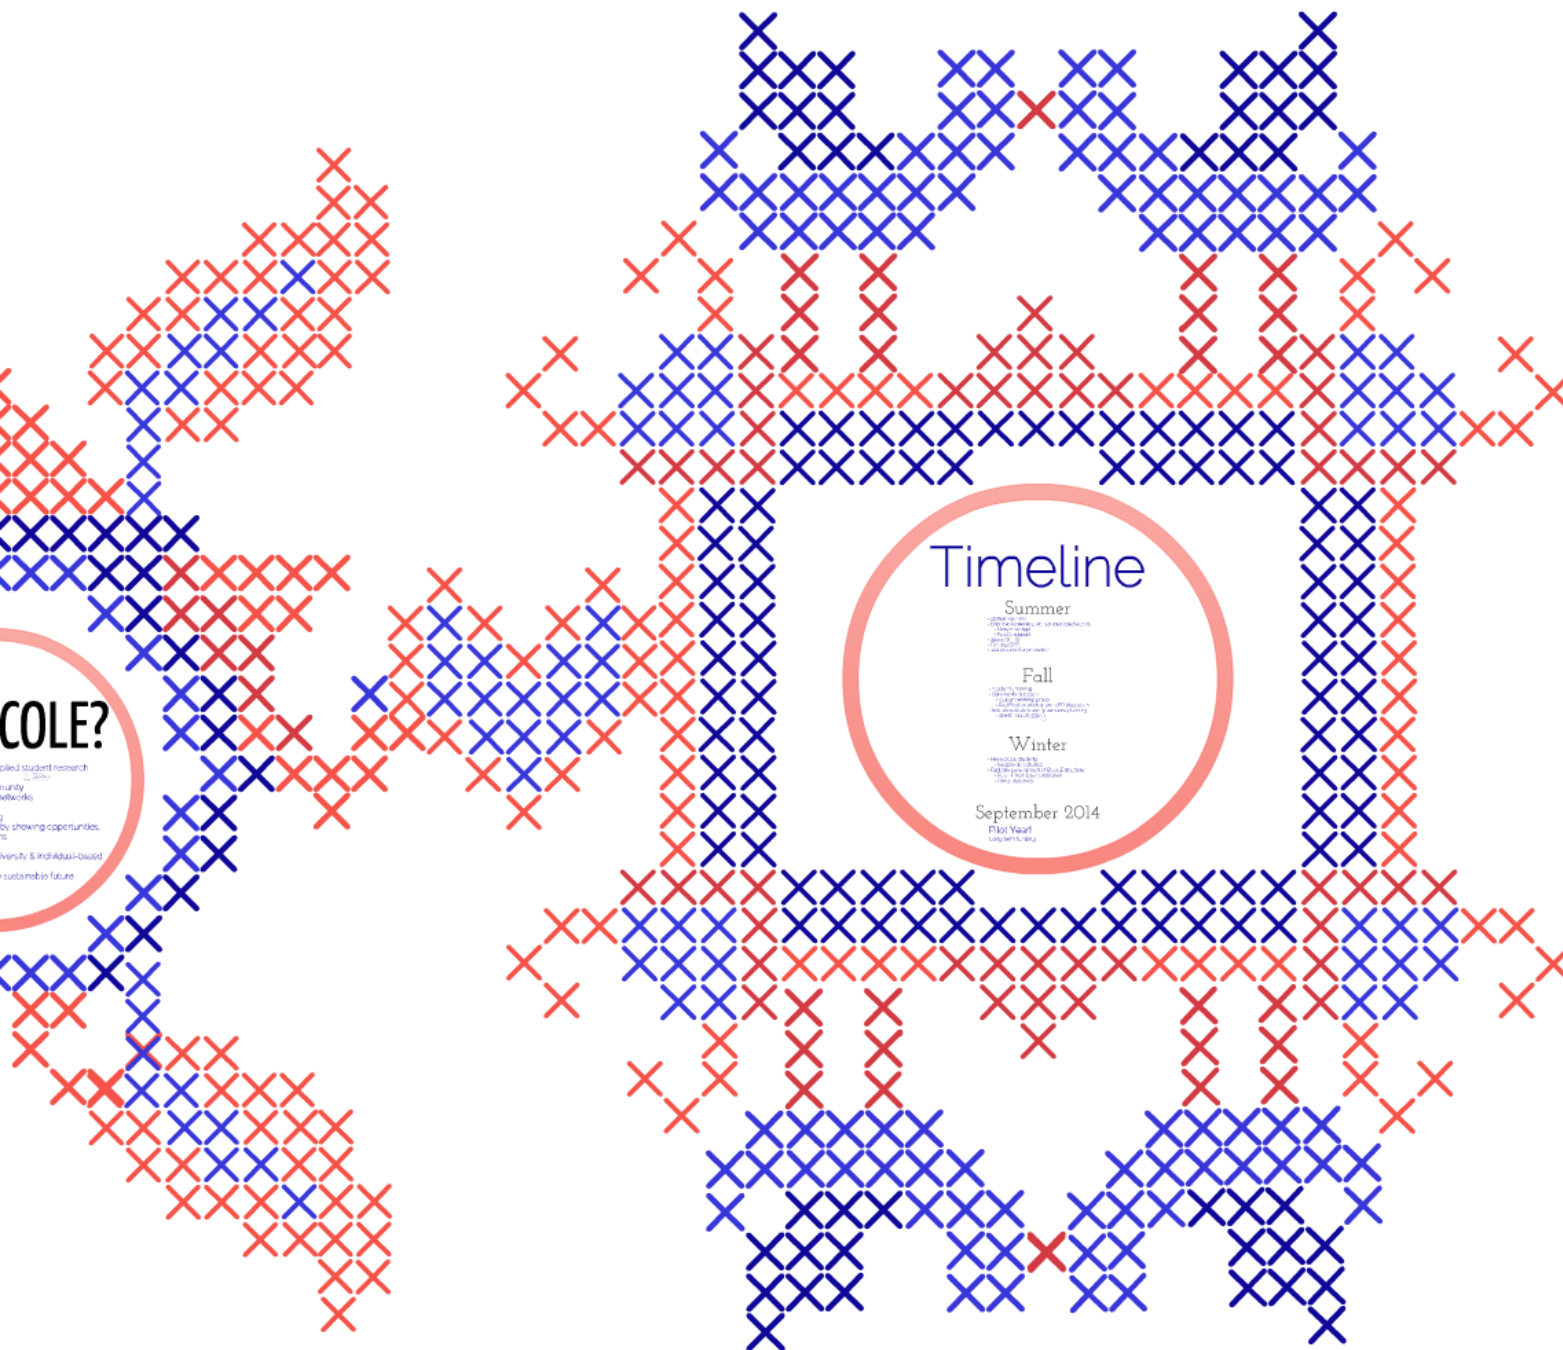

- Space, resources, and networks

Model for sustainable living

- Increasing accessibility by showing opportunities, challenges, and solutions

Deconstruct silos of the university & individual-based society

- Moving towards a more sustainable future

COLE?

Applied student research
community
networks
by showing opportunities
diversity & individual-based
sustainable future

Timeline

Summer

- Started May 2013
- Extensive networking with campus stakeholders
 - Many meetings!
 - Faculty support
- Space (SHHS)
- Funding (SPF)
- Website and flier production

Fall

- Academic framing
- Community outreach
 - Student working group
 - Rad Frosh workshop and CED discussion
- Institutionalization and governance planning
 - SHHS, MOOS, SSMU

Winter

- Hire ECOLE Students
 - Independent studies
- Facilitate development of ECOLE structure
 - ECOLE mandate/constitution
 - Group dynamics

September 2014

Pilot Year!

Long term funding
