Report #1: 2014/01/16

McGill Engineering Competition

This week, we had our review meeting for McGill Engineering Competition where all the executives discussed what went well and what still needs to be worked on during last year's McGill Engineering Competition. I am also going to draft a report reviewing my role and how the logistics of the competition was.

EUS

There hasn't been any meetings so far.

GA Publicity

I have started telling my friends in Engineering about the upcoming GA, and encouraging them to come.

- Nursing Games are coming up soon!

Rohan Sachal - Science Rep

I have just gotten better from being sick and getting ready to get back in the action of going to all the meetings I have had to miss in the last 2 weeks.

On Friday, I went to the Mental Health Ad-Hoc Committee where we discussed about our 5 year plan to advocate for Mental Health on campus. We have created a proposal and will be sharing it with the council very soon. Meetings will be on Fridays from 3:45 to 4:45.

I was unable to go to the Community Engagement Committee as I was sick, but I will be going to the next meeting with a date still needed to be decided.

Again, there was a SUS GA and Exec meeting but I was unable to attend due to being sick.
