

Motion Regarding the Bicycle Facility Plebiscite Question

WHEREAS, McGill University has proposed the creation of an on-campus Bicycle Facility, which would feature indoor secure bicycle parking and shower and locker facilities for bike commuters;

WHEREAS, this bicycle facility would address the shortage of bicycle parking on campus and would provide the only indoor and secure bicycle parking on campus;

WHEREAS, this secure bicycle parking and access to shower and locker facilities would be available to students and McGill community members with the purchase of a per-semester membership, much like the McGill Fitness Centre;

WHEREAS, the sub-basement garage level of the University Centre (ie. the level below Gerts) has been proposed as the location of the Bicycle Facility project;

WHEREAS, McGill University has developed a proposal for this bicycle facility appended hereto as Appendix A;

BE IT RESOLVED, THAT the Legislative Council approve the following plebiscite question for the Winter 2016 Referendum Period:

If it were deemed to be financially feasible for the SSMU, do you support the SSMU partnering with McGill University on the implementation of a secure bicycle parking facility within the University Centre?

BE IT FURTHER RESOLVED, THAT the preamble and appendix contained herein be included with the question on the referendum ballot.
