

**Motion Regarding Executive Seats on Committees**

WHEREAS, the Committee Terms of Reference contain SSMU Committees that include executives outside of the relevant portfolio in their membership terms;

WHEREAS, in recognition of the overburdening of executive portfolios, there is a need for a decrease in the number of Committee responsibilities for executives and the elimination of duplication of work where possible;

WHEREAS, according to the Internal Regulations of the Presidential Portfolio, advisory roles on Committees are non-voting, do not count for quorum, and do not have mandatory attendance, but act in a consultative role;

WHEREAS, placing relevant executives in advisory roles will ensure that executives can be consulted by the Committee on relevant issues;

BE IT RESOLVED, THAT the Vice-President (Student Life) seat on the Funding Committee become an advisory role and that the Committee Terms of Reference be updated to reflect this change;

BE IT RESOLVED, THAT the Vice-President (Finance) seat on the Services Review Committee become an advisory role and that the Committee Terms of Reference be updated to reflect this change.
