Full Status Application:

McGill Naginata Club

Committee Recommendation: Reject

The Committee recommends the rejection of the McGill Naginata Club's Full Status Application due to their score of 14/30 on the Full Status Approval Rubric.

Constitutional Amendments:

1. McGill Students for Enactus

Committee Recommendation: Table

Articles referring to club structure and electoral procedures will be further reviewed and revised by the Committee and Club.

2. McGill Taiwanese Students' Association

Committee Recommendation: Table

Due to their large executive committee, the committee recommends that they restructure voting rights within the EC members so that single portfolios get one vote, rather than each person within a portfolio having one vote. This would reduce the number of votes from 27 to less than 10. This is recommended because voting should be done on behalf of the club, not with any personal opinion. The constitution will be brought back to committee once an agreement has been made.

3. McGill Students' Wine Society

Committee Recommendation: Approve

4. McGill Students for Think Pink

Committee Recommendation: Approve

5. The Caribbean Students' Society

Committee Recommendation: Approve

6. The Energy Association

Committee Recommendation: Approve

7. McGill Armenian Students' Association

Committee Recommendation: Approve
