Agenda

1.0 Call to Order: 4:11pm.

2.0 Adoption of the Agenda

Chloe calls the meeting to order. Only thing on the agenda is confidential session. Agenda is adopted.

Chloe: First thing, before we move into confidential session, is whether we're willing to give permission to the VP Student Life and potentially the VP Operations to sit in on confidential session, because there are matters on the agenda that might be relevant to them.

Motion to allow the VP Student Life and the VP Operations into confidential session. This is approved.

Chloe: I'll just remind everyone that we currently don't have quorum, so unless another director were to come, we'd have to post any approvals made in confidential session onto vibe, and some of them are time sensitive, so just keep that in mind.

Adam: Can we just call Jonathan?

Chloe: Yeah, any electronic means are fine.
