SSMU LEGISLATIVE COUNCIL AGENDA

NEW BUSINESS

Notice of Motion to Amend the Internal Regulations of Governance

Minor grammatical changes.

Election and Referenda Timeline

Large changes were made to the fall and winter schedules to make sure we fit within University schedules that were recently given to us with information about fee implementer. There remains an issue with the Fall Referenda timeline since there is no meeting on October 27th to approve referenda questions; Steering opens that larger discussion up to Council.

REPORTS

Clubs Committee

As there isn't any work yet for the Clubs Committee it has yet to meet. As such, steering recommends the removal of the item, but opens this decision to Council for the sake of Accountability and questions that any might have.
