### **Points for Discussion:**

#### McGill Students' Culinary Society – Decision on Status of Club

This club was inactive last year and has no executive turnover, but there is interest from a current student in restarting it. Discussion was had about the status of the club considering these circumstances.

*Committee Recommendation:*

The Committee Recommends that the status of the McGill Students' Culinary Society be changed from Full to Interim, due to one year of inactivity and no executive turnover for this club. After the Interim Period of 3-5 months, the club will be required to apply for Full Status in the same

manner as any other Interim Status Club. This will allow review of the functionality of the club and the executive team.

The Committee is also interested in adding a clause to the Internal Regulations, which makes it standard procedure to change a club's status to Interim from Full in these types of circumstances.
