3. Difficulties: The nature of this position requires that the executive be often off-campus or out of the office, thus posing challenges in terms of collaborating with the rest of the Executive team. 4. Contacts: Constant contact is made with the Executive Committee, the Legislative Council, elected representatives of local and supra-local student associations, representatives from civil society groups and organizations, and campus representatives in order to remain abreast of current priorities, projects and problems and to provide advice and direction. Frequent contact with campus representatives, student activists, civil society members and journalists as required.

WORKING CONDITIONS:

1. High pressure work environment from both an operational and political perspective.
2. Up to seventy (70) hours per week, including many evenings and weekends.
3. Frequent presence off campus, often during the weekend is required. This may include participation in meetings, round tables, congresses, and demonstrations.

QUALIFICATIONS REQUIRED:

5. Formal education: must be a downtown campus McGill undergraduate student enrolled in a maximum of 6 credits per semester, although only three (3) credits per semester are recommended.
6. Excellent written and oral communication skills in English are required and good written and oral communication skills in French are desirable.

ASSETS:

7. Experience: some level of experience working with the Society, preferably in a position related to the Vice President (Operations) portfolio. Experience in high pressure work environments with a variety of stakeholders would prove helpful in managing the operations
8. Manual skills: knowledge of Microsoft Word, Excel, Powerpoint, and professional email etiquette. Ability to adapt to new electronic document-sharing platforms and knowledge of social media will be highly beneficial.
9. Leadership skills: Interpersonal skills, dependability, integrity, good planning skills, facilitation skills, analytical ability, financial responsibility, and a high degree of organizational skills and accuracy.

CONFIDENTIALITY:

It is understood that the Vice President (External Affairs) must uphold the highest standards of confidentiality according to the internal policies of the SSMU and to decisions of the Executive Committee and the Legislative Council.
