

Legislative Council – February 8th, 2018

## Motion to Amend the SSMU Campus Life Fee

**Whereas**, the University Centre Building will undergo significant renovations and will be closed to the public for a prolonged period of time, beginning March 17, 2018;

**Whereas**, the University Centre Building is used by clubs with interim status who do not have access to club fund and 15 services each year;

**Whereas**, the closure of the University Centre Building will affect the ability of Services and interim clubs to reserve and use spaces for their activities and events;

**Whereas**, the referendum Motion for the Campus Life Fee<sup>1</sup> passed on February 6th, 2014 and does not explicitly state that the Fee can be used to reserve spaces for Services and Interim Clubs to conduct their activities and hold events in light of a building closure;

**Be it Resolved**, that the purpose of the Campus Life Fee<sup>2</sup> be extended to cover the costs of reserving spaces for Services and Interim Clubs in good standing to host their activities and hold their events at alternative locations during the University Centre Building closure;

**Be it further Resolved**, that funding applications of Services and Interim Clubs regardless of whether they run a deficit or not, be prioritized over all other applications during the University Centre Building closure, when the purpose of such applications is to fund all or some of the costs of reserving spaces to host their activities and hold their events at alternative locations;

**Be it further Resolved**, that Legislative Council approve the following question for the Winter 2018 referendum period:

*“Do you agree to alter the purpose of the Campus Life Fee to cover the costs for reserving spaces for Services and Interim Clubs in good standing to host their activities and hold their events at alternative locations during the University Centre Building closure?”*

**Moved by:**

Muna Tojiboeva, SSMU President
