WELCOME TO ÉCOLE
A SPACE FOR SUSTAINABILITY SPARKS, AND SERENDIPITY.
PLEASE LEAVE SHOES AND ASSUMPTIONS AT THE DOOR.
ECOLE is a model of urban sustainable living and a physical hub for the McGill and Montreal sustainability communities.

Our mandate, as defined in our constitution, is to “bring together McGill students, faculty and staff and Montreal community members in the pursuit of sustainable living by means of applied student research, alternative education, and community building. ECOLE is an ongoing experiment that strives to be a model of urban sustainable living.”
1. Events and Programming
   — Events and workshops
   — Community potlucks
   — Cinema ECOLE: film screenings
   — And many more!

2. Space Use
   — Free space booking for community groups
   — Open study lounge and coffee bar

3. Alternative Education
   — Hands-on, community-based research
   — Support and resources for projects
Governance structure

- Non-hierarchical, consensus-based decision making

- Member roles

- Pillar model
  - ECOLE fulfills its mandate by building on the Three Pillars of ECOLE: Living, Learning, and Community Building.
