

Clubs Representative Report to SSMU, Nov 1, 2018

Councillor Updates

- Had first Clubs Committee meeting on Friday Oct 19
 - Began working through interim-status club applications
 - Couldn't agree on a time that works consistently for everyone; had to miss meeting last week
 - Second meeting is tomorrow – will continue through interim-status clubs proposals
 - Hope to finish soon so we can move onto full-status clubs proposals
- Lots of positive feedback from clubs' executives re: banking switch, particularly with respect to online access

Personal Updates

- I'm doing well!
- Come see Effusion's concert on November 11

Respectfully submitted,

Zaheed Kara
