- In order to ensure that motions are posted publicly in a timely manner, all Councillors are reminded that they are to find the requisite number of movers for their motion before submitting it to Steering Committee.

- The voting method used at the previous Legislative Council meeting, as well as the enforcement of limits on individual speaking time were reviewed by Steering Committee and determined to have helped in increasing meeting efficiency. Minor adjustments were discussed and will be implemented at subsequent meetings of Legislative Council.

- All members of Steering Committee have now been selected and we look forward to providing more timely and efficient access to Legislative Council documents in a manner that inspires confidence in the work of the Society.

Respectfully submitted,

Husayn Jamal, Speaker of Council
