WINTER ACTIVITIES NIGHT EVENT GUIDE

Thank you for joining us for Activities Night Winter 2020! We’re happy to have you on board.

Please read the following guidelines for all groups tabling at the event.

GENERAL GUIDELINES

To ensure that the event runs smoothly, and that all tablers are provided with adequate and equal space, we have provided a few basic guidelines regarding set-up that all groups are required to follow:

- Your group will be given a 5 x 2.5 ft. table and 2 folding chairs. Please plan your group’s display accordingly to fit the table dimensions and to maintain respect for other groups by using only your designated space and equipment (i.e., tables and chairs).

- Each group is allowed 1 standing banner with the following dimensions: 2.5 ft. x 6.5 ft.

- A group may not exceed 2 representatives at their assigned table.

- The SSMU is not responsible for missing or lost belongings so please do not leave any valuables unattended at your group’s table.

- We are unable to provide electrical outlets.

BEFORE THE EVENT

TABLING PASSES (COMPULSORY)

To access the event, you will need your group’s designated tabling passes. Each group is given two passes, one for each representative. This year, passes will be in the form of a lanyard which will display a group’s corresponding table number, as well as the colour of that group’s particular section. Tabling passes can be purchased online for a fee of $5.00 (includes the cost of both passes) when a group submits the Activities Night registration form. Groups must pick them up from January 7th to January 9th, before the start of the event, at the SSMU office (3600 McTavish St., Suite 1200, Montréal, QC, H3A 0G3), open Monday–Friday, between 9 a.m.–5 p.m.

Please note that tablers are required to show their passes at the entrance. If a tabler does not have their pass when entering the Fieldhouse, they will be required to wait in line with all other students waiting to enter the event. Please coordinate among your group’s representatives to transfer the lanyards to members between shifts during the event.
In the case that a group forgets to pick up their passes, representatives from that group will not be able to access the event as tablers. All passes must be picked up at the SSMU office. If a group forgets their passes on the day of the event, they may go to the SSMU office and pick up new ones for an additional fee of $5.00.

If a group registers and realizes that they are unable to table on the day of the event, they must let the Activities Night Coordinator know (activitiesnight@ssmu.ca) by December 16th, 2019, for a full refund. If a group does not notify the SSMU by this time, they will not be able to receive a refund for their spot.

ARRIVAL AND SET-UP

The event begins at 4 p.m. on both days - January 9th & 10th. Groups tabling must arrive to set up their table between 1:00–3:30 p.m. in order to enable the SSMU volunteers and staff to help everyone with their set-up and to ensure that the event begins on time. If this time frame does not fit your schedule, please contact Khanh Le, the Activities Night Coordinator at activitiesnight@ssmu.ca.
