

Funding Committee

2020-02-13

Be it resolved that the Legislative Council approve the following decisions of the Funding Committee:

2020.01.21	3724	Borderless World Volunteers	Full-Status	Club	1350	1322.92	This application was to support the volunteers of the club in working with organizations in developing countries to come up with solutions to organizational issues they encounter. At the end of the project, volunteers travel to visit the organization. The volunteers traveled to San Jose this year. The expenses were for accommodation primarily. The partial approval reflects the actual event deficit.
	3732	Folio Magazine	Full-Status	Club	300	30	This application was for the launch party for 22nd issue of Folio Magazine, which features artwork from mcGill students. The expenses for the party were the venue booking, the performer fee, and catering. The partial approval reflects the actual deficit of the event.
	3767	McGill Chem-E Car	Campus Group	AMB	8654.57	4327.29	This application was for members of the Chem-E car club to attend the National Competition for racing cars in Orlando Florida. They also attend the chemical engineering conference which was

							being held at the same time. The expenses were for flights, accommodation, and registration fees.
3762	Students' Society of Hackers at McGill	Full-Status	Campus L	10000	5096		This application is for McGill McHacks, a Canada wide hackathon. They try to be very accessible by providing transport for participants from Toronto and Waterloo. It's completely free for all participants, including food and accommodation. The partial approval reflects the actual event deficit.
3802	McGill Vietnamese Students' Association	Full-Status	Club	1368.59	928.59		This application was to fund 3 events held in the first semester. The first was a Welcome Back Party, the second was a board games night, and the third was a cooking class on making spring rolls.
3894	Research and Sustainability Network	Full-Status	Club	1260.31	1260.31		This event is for a sustainability conference about how to get involved in research at McGill. The expenses are for the room bookings and food.
3906	Student Nutrition Accessibility Club	Full-Status	Club	1259.13	675.02		The application is for a nutrition conference aimed at informing students about the importance of nutrition and the urban food system. There will be speakers to talk about the importance of having a healthy and balanced diet in college. The speakers will also inform students about the significance of food production and the effects of food waste on the environment. The expenses are for food and honorariums for the speakers.
3894	Global China Connection	Full-Status	Club	740.28	549.37		This application was for China's 70th year Anniversary Panel Discussion. The fees were for a room booking, security, food, and honorariums for speakers.

	3672	MEDLIFE	Full-Status	Campus L	5000	1,284.98	This application is for a case competition for MEDLIFE chapters around Eastern Canada and North-Eastern USA. This case competition is to allow MEDLIFE chapters to come together and think of solutions to issues surrounding Medicine, Education and Development for families around the world. The expenses are for the room booking, honorariums for judges, and food for the weekend.
	3933	Peel Street Cinema	Full-Status	Club	1014.03	523.14	This application was to cover the cost of popcorn for all movie screenings in the fall semester. Peel Street Cinema organizes viewings at cineplex, and provide free popcorn for all who attend. The partial approval reflects the amount spent on popcorn for fall semester only, whereas the application requested it for winter semester as well.
	3944	McGill BattleBots Club	Faculty Association	Campus L	1910.34	1910.34	This application was for an event which entails 2 workshops and a mock and real competition to help students discover their passion for engineering. In the workshops, the battlebots club will tutor students in areas like 3D printing, Cad, Python, and other important engineering skills. Once the participants have built their robot; they will participate in a robot sumo competition. The expenses are for the venue booking and equipment for the participants to use to build their robots, as well as food.
	3948	Competitive Programming McGill	Campus Group	AMB	4658.94	3494.21	This application was a for the CS Games hosted at ETS school of Higher Technology. The expenses were for the registration fees. The partial approval reflects the deficit minus 25% personal contribution

	3953	Muslim Students' Association	Full-Status	Club	291.4	291.4	This application was for an end-of-year barbecue for club members to relax after exams. The expenses were for food for the barbecue.
	3959	Muslim Students' Association	Full-Status	Club	137.97	137.97	This application was for a security guide outside Friday Prayer.
	3960	Muslim Students' Association	Full-Status	Club	137.97	137.97	This application was for a security guide outside Friday Prayer.
	3961	Muslim Students' Association	Full-Status	Club	228.74	228.74	This application was to support a discussion on health relationships with a guest speaker educating club members on the steps to take before entering into a relationship or marriage and how to ensure it is healthy. The expenses were for an honorarium for the speaker and the room booking fee.
	3963	Muslim Students' Association	Full-Status	Club	28.74	28.74	This application was for a room booking to host a mixer for club members.
	3749	Law Needs Feminism Because	Campus Group	Equity	5902.68	5902.68	This application was to cover the expenses of group members to attend the Law Needs Feminism Because 2020 National forum at the University of Calgary. The form includes workshops, panels and presentations about the role of feminism and intersectionality in the law community and within legal institutions. The expenses are for flights, accommodation, and registration fees.
	3966	Students' Association for Multiple Sclerosis	Full-Status	Club	230	230	This application was to cover the expenses of Spin fundraising event, so that all proceeds could be donated to the Montreal Neurological Institute. The expenses were for the room booking.

	3746	Anesthesia and Critical Care Interest Group	Full-Status	Club	570	75	This application was for pizza and soda for a symposium held to inform people about the need for anesthesiologists in today's medical community.
	3547	Desautels Preparatory Case Competition	Faculty Association	Campus L	2715	2515	This application was to support the Desautels Preparatory Case Competition for Cegep students to understand the opportunities available with a BCom degree and what it entails. The students learn what a case crack is, compete, and then have a networking event following the competition. The expenses are catering, venue rental, and case printing fees. The partial approval reflects the event deficit minus the fees for lanyards and cups/plates, as we provided the competition with more sustainable options.
	3857	The Plate Club	SSMU Service	ENV	3323.3	3323.3	This application was to restock The Plate Club inventory. They wanted to increase their inventory to be able to better meet the needs of clubs, as they are consistently running out of certain items.
2020.01.28	3929	MyMedia Creative Group	Campus Group	Campus L	650	650	This application is to fund a conference/workshop being held in Building 21 to educate McGill students on the work that MyMedia does and how it can help students indulge their creativity and create art in digital form, by providing media services and design services. The expenses are primarily for catering and speaker fees.
	3904	McGill Cricket Club	Full-Status	Club	1635	1635	This application was to cover general practice expenses for winter semester. This includes renting the courts and buying equipment.

	3905	McGill Cricket Club	Full-Status	AMB	6372	5099	This application was to support the cricket club traveling to the 2020 American College Cricket National Championship in Fort Lauderdale Florida. The expenses are for flights, accommodation and a registration fee. The partial approval reflects the event deficit minus the costs of training and uniforms.
	3885	McGill Cyber Crimes Moot Competition		AMB	1000	1000	This application was for two law students to travel to UCLA to compete in the Moot Court Competition. This happens once a year and provides competitors the chance to network with lawyers and practice their learned skills. The expenses are for flights, accommodation and a registration fee.
	3982	Pakistani Students' Association	Interim SSMU	Campus L	4845.36	4845.36	This application was to support an event celebratin Qawwali, which is a type of music from South Asia.It is a chance for McGill students to learn about pakistani culture and mingle with people coming from all different backgrounds. The expenses are for the venue rental, food, and the performance fee.
	4010	SSMU University Affairs	SSMU Service	Campus L	417.78	417.78	This application was to cover expenses associated with running the "Know your rights" campaign, which ran during the add/drop period. It was to inform McGill undergraduates of their personal and academic rights on campus. The expenses were printing costs of pamphlets with the necessary information and banners to advertise and get the attention of the students. They provided all receipts, and contributed to the betterment of a sizable amount of McGill undergraduates, so we approved them on that basis.

	4019	Community Relations	Campus Group	ENV	14100	14100	This application was to fund the Trash2Treasure. This initiative facilitates the collection of furniture that is put on the street during move out day (roughly end of April / beginning of May), and then redistributes it, so that none of it gets thrown out. The service handles everything, and costs \$14,100, which covers things such as transportation and storage of the furniture as well as staffing etc.
	4026	Desautels Faculty - Case Competition	Faculty Association	AMB	5350	4012.5	This application was for a case team in the Desautels faculty to travel to Belgrade, Serbia to compete in an international case competition. The expenses were the registration fee of the competition which included accomodation and breakfast, as well as flights. The partial approval reflects the deficit of the event minus a 25% personal contribution
	3669	HOSA	Interim SSMU	AMB	3500	3500	HOSA McGill will bring students to an annual Spring Leadership Conference in Toronto where they will compete against students from other universities' HOSA chapters. They will compete in various events related to the healthcare industry such as sports medicine, forensics, emergency medical technician, veterinary science, etc. The expenses are for registration fees, travel, and accommodation.
	3964	McGill Vietnamese Students' Association	Full-Status	Club	400	400	This event was to fund the Vietnamese Club Lunar New Year Party. They provided typical Vietnamese food to celebrate the event, which made up the majority of expenses. They also paid for the venue and decorations.

	4100	McGill Women in Leadership	Full-Status	Club	500	500	This application was to pay back a bar that charged the club for not bringing as many people as they said they would for an event. See Sam for more details.
