REPORT OF THE VICE-PRESIDENT (INTERNAL)

Submitted for:

For the period of 2020-01-31 to 2020-02-14

SSPN

- Fac10do :

- ALL venues confirmed HALLELUJAH
 - I know way more about liability insurance now than a 20 year old should
- Hired a photographer
- Teams are ready (17!!!!), rosters are in, names have gone through the equity committee, one of them wasn't approved, so working with them to get a name + logo by the deadline
 - For the first time ever, we have a law team
 - We had issues with the med team disrespecting deadlines
- We're going to be the first event of this kind to have the all faculty IRP, so we're being very strict things like bracelet pickups and roster submissions
- Trying to get the trophy back
 - It was with Engineering ---> Science stole it ----> someone took it from the ex-President of the SUS -----> that "someone" turned out to be Zlata (used to be at McGill), "negotiating" with them to get it back
- Trying to see if Beach Club is still a viable option for Grad Frosh (a LOT of interest in bringing it back there)
- Working on a "How-To" for snOAP/on-campus sugar shack
 - I convinced Admin to let us do this, unfortunately this happened far too late in the year for various reasons
 - "Lets leave this as a gift to future SSPN" - anonymous member of SSPN, 2020

Communications

- IG Takeover - Still happening
- We're getting a few obvious spam accounts messaging the pages
- Trying to rewrite the exec stuff on the website, a lot of stuff is missing or incorrect (eg. what is FUN???)

First Year Council

- Their town hall/free food event is coming soon
- They want to hold a first year “prom”
- Project with CL&E re: summer listservs
- Upcoming meeting with the interim DoS!!! Exciting!!!
 - We finally have a full council so bringing admin to meetings is actually a viable project now!
- Asked CL&E to give them seats at orientation planning group
 - VP Internal + Off-Campus rep attended the meeting
- OPG - Planning OWeek 2020, talked about what was good, what could be improved, what students require from OWeek

Sustainability

- Judged the Catalyst Awards
 - Happening in April!
- Sustainability Commissioners -
 - E-waste drive and education campaign next week (incl. Juul pods!!!)
 - Mug engraving workshop tomorrow! Final step in the mug reuse project
 - Working on getting a job description for the individuals taking care of the nutritowers so that we can pay them for their labour
 - Work being done to restructure the relationship between campus crops and SSMU gardens

Alumni Stuff

- Waiting to hear back from the DPSLL about the McGill 24 project

Other

- Bicentennial Steering Committee/SRC was yesterday (tomorrow, as of the time of writing), cut to Sanchi live for an update
- Finance committee meeting - making a long term financial plan, talked about the savoy society, we're going over the investments tomorrow
