

SUS Representative Council Report

Legislative Council of the Students' Society of McGill University

February 27th, 2020

SUS Updates

- SUS General Assembly held Feb 5th - didn't hit quorum however we will be holding another GA March 11th in Trottier 0100 with better communication standards in the hopes of recruiting more science students to attend
 - SUS General Council held Jan 19th

- Appointing new SSMU Rep Tuesday, Feb 25th. Will be ratified at General Assembly March 11th

- SUS 2020-2021 Elections and Referenda coming up
 - Elections Nomination Period will most likely be extended until Feb 28th
 - Campaign Period Feb 29 - March 11th
 - Polling March 12 - 17th

- SUS Charity Week will be March 16-20th this semester
 - Nouveaux Sentiers/New Pathways foundation - has scholarships, internships, leadership camps, and support for sports activities for youth in indigenous communities in Quebec

- After Hours @Majesthe every Wednesday
 - Working with departments and SUS committees every week

- Grad Ball in collaboration with AUS
 - Almost sold out

- SUSAN (SUS Awards Night) applications extended until March 22nd
 - Event will be held on April 4th

- Working together with ASUS/BASiC VP External to amending the SUS Electoral By-Laws to better clarify campaign procedure and ensure that information regarding candidates' platforms is more accessible during voting period
 - Will provide consistency between online and offline campaign materials, ensuring that all constituents, who do or do not use Facebook, have access to candidates' platforms beyond a brief pen sketch in a fair and representative way.

- Academia Week Feb 11-14th
- SUS Gala February 15th
 - Sold out in 2 days - we plan on making it bigger next year so more people can come

Personal Updates

- SSPN - Faculty Olympics will be held the week after reading week (March 9-13)
- SSMU Daycare BoD - Daycare Director settling in nicely, working on contract with PGSS
- My Office Hours - Mondays and Wednesdays 1-2pm, come say hi!

Respectfully Submitted,

Maxine Wu

Representative to SSMU

Science Undergraduate Society
