REPORT OF THE VICE-PRESIDENT (INTERNAL)

Submitted for:

For the period of 2020-02-27 to 2020-03-25

SSPN

- FacO
 - first three and a half days were incredible!
 - very ssmu-thly run
 - DUSTED - loaded busses 30 minutes ahead of schedule!!!
 - Boat Races - we had an incredible ESPN-type set up that made it really interesting for the non-racers
 - HR for the entire week was amazing, i'm really proud of SSPN
 - COVID 19 Update
 - most of our venues and suppliers refunded us or charged as a pro-rata rate
 - we passed this refund onto our participants and staff, refunding them for the missed events
 - while we were workshopping ideas the entire day, and had ideas on how to carry out a closing ceremony on Thursday itself, the second we heard rumours about a case on campus, we shut it all down, closed all the venues, cancelled everything we had left to cancel, got pizza, and reminisced
- grad frosh/ssmu awards
 - in-person events are cancelled, looking at possible alternatives

Communications

- Business as usual

First Year Affairs

- FYC's collaborative end of year gala/dinner was cancelled :(
- Helping the FYC VP Internal create content for CL&E listserv
- OPG, CSI, etc. is moving online
- had a SSMU-only consultation session with CLE

Sustainability

- Business has been put on halt for a little bit
- Campus crops - still working on the agreement with one of the commissioners
- Commissioners are working on updating the blog
- Catalyst Awards have been indefinitely postponed

Alumni Stuff

- MASEC has moved online
- All LifeAYD programming has been cancelled

Other

- Therapy dogs meeting! Would be really cool once all of this blows over
- Social support for those in need of interaction
- Trying to coordinate meetings for the incoming Internal with some remaining casual staff + non-ssmu committees and councils
