## Issue

This motion seeks to amend the McGill Debating Union (MDU) constitution. Due to issues in communications between past MDU executives and SSMU staff, the MDU has not been able to amend its constitution since 2018. These amendments will create an Equity Policy and Internal Novice Policy, as well as remove the position of the Chair of French Debate and add three new executive positions. This motion is an interim provision for approval first at the Board of Directors level and then be brought for approval at the first Legislative Council meeting of 2020-2021 academic year.

## Background and Rationale

The McGill Debating Union made amendments to their Constitution in February 2018 following a General Assembly of their members and submitted these changes to the Club Commissioner’s email. However, at the time, the Club Commissioner role was no longer active, which meant that these amendments were not discussed at the Clubs Committee or ratified at Legislative Council. As well, the MDU made a further round of amendments in February 2020, which are being combined with the amendments made in 2018 for this motion.
Without approval of these amendments by the Board of Directors, the MDU will not be able to operate in the summer of 2020 nor will they be prepared for the Fall 2020 semester.

Alignment with Mission

This motion is aligned with the SSMU’s policy on Clubs and Services as the Highest Priority, as approval of this motion will allow the SSMU to rectify past errors and better serve the McGill Debating Union.

Overview of Proposed Amendments

**Added Equity Policy**
The proposed by-law will serve the following purposes: Institute clear standards of behaviour for all members at all events or adjacent events of the McGill Debating Union, ensure safety and well-being all members, ensure that the MDU is an inclusive space for marginalized individuals, mandate tournament Equity Officers with clear roles, address accessibility concerns, and provide clear guidelines on making formal equity complaints.

**Added Internal Novice Policy**
The proposed by-law will include any individuals who may not fall under the Canadian University Society for Intercollegiate Debate (CUSID) definition of novice status for the sake of providing said individuals with development opportunities within the McGill Debating Union. Such opportunities may include leadership positions within the club, development prioritization, and accessing reserved novice spots for external tournaments.

**Added 3 new executive positions and removed 1**
The proposed constitutional amendments will add the positions of Internal Tournaments Coordinator, Socials Director and Equity Officer on the MDU Executive Committee. The positions will delineate the roles of the former Member-at-Large and mandate specialized functions such as creation of equity policy at tournaments and management of MDU equity training and complaints, coordination of in-house tournaments and organizing socials to enable more effective club operation.

The Chair of French Debates will be removed from the MDU Executive Committee. The removal will facilitate easier management of French Debate at McGill since their operation, budgeting, and club structure is demonstrably distinct from English Debate.
### Consultations Completed
The McGill Debating Union held consultations with their members prior to moving these amendments and all amendments have been approved through a General Assembly of their members.

### Risk Factors and Resource Implications
There are no risk factors associated with this motion. In terms of resource implications, these amendments suggest that the MDU will increase its executive membership overall and thus will need to expend resources to recruit these new executives.

It is also important to note that this motion is being moved as an interim provision of the Board of Directors and will return to the first meeting of the Legislative Council.

### Sustainability Considerations
There are no sustainability considerations for this motion.

### Impact of Decision and Next Steps
Upon approval by the Board of Directors, the McGill Debating Union will be notified and may proceed with their new Constitution.

### Motion or Resolution for Approval
Be it Resolved that the SSMU Legislative Council adopt the amended McGill Debating Union Constitution in Appendix A.

Appendix A:

Equity Policy of the McGill Debating Union (MDU)

Definitions:

1. **Equity**: the idea and practice of creating and protecting spaces that remain free from judgment, harassment, or discrimination on the basis of an individual(s)’s race, ethnicity, sex, gender, gender identification, sexual orientation, religion and/or ability. Note, that this list of equity violations is not exhaustive and any actions that infringes upon the safety or perceived safety of an individual(s) can also be considered an equity issue.

1. **Complaint**: An equity complaint can be filed in response to any issue identified as an equity violation by the definition of equity set out in this policy. A complaint can be filed by an individual for themselves, on behalf of another individual or on behalf of a group.

Aims:

The aims of this policy are:

1. to institute clear standards of behavior for all MDU members at all MDU events or MDU adjacent events, including but not limited to practices, tournaments, show rounds, executive meetings, socials, pres, van rides.
2. to ensure the safety and well being of all members of the MDU
3. to ensure that the MDU is an inclusive space for marginalized people
4. To make clear the role of Equity Officers at Tournaments
5. To address accessibility concerns
6. To provide clear guidelines on making formal equity complaints

Code of Conduct:

1. The MDU expects all members to behave in an equitable manner and treat each other with respect at all times including but not limited to: during rounds, during RFDs, at tournaments, and at socials.
2. The MDU has a zero tolerance policy for harassment, discrimination, intimidation or bullying of any kind
3. The MDU strives to maintain an inclusive, respectful and kind atmosphere for all members, regardless of identity, at all times

Tournament Equity Officers:

1. It is the job of the tournament Equity Officers to introduce themselves, and explain and define equity during the briefings at the beginning of a tournament, as well as explain potential consequences for equity violations
2. Equity Officers must provide several avenues for participants to submit equity complaints and ought to ensure that each avenue is as accessible as possible and can be confidential if a participant so chooses
3. If an equity complaint is reported, it is the responsibility of the Equity Officers to address it in consultation with the person who reported it and to take appropriate action based on the severity of the complaint
4. All Equity Officers are expected to read over the Equity Training Guide (found in the TDing -> Guidelines folder in the MDU google drive)

Accessibility:

1. The MDU recognizes that some people may experience barriers in accessing debate and debate related activities and will strive to make reasonable accommodations to the best of their ability
2. The executive of the MDU will be responsible for ensuring members are aware of our commitment to reducing barriers and will only ask for people to disclose what their accommodation is, not why they need it.

   a. Barriers do not need to be disclosed to the entire executive but instead to whichever member is most equipped to make the accommodation (ex: External Tournaments Coordinator, Chair of Debates)

   b. Any and all disclosures will be kept in the strictest confidence

Complaint Procedure

1. An equity complaint can be made to any member of the MDU Executive
2. Complaints can be anonymous or not, as per the request of the complainant
3. The executive of the McGill Debating Union will, to the best of their ability, evaluate and investigate the complaint, with a commitment to believing survivors

Potential Consequences

1. In consultation with affected parties, the executive of the McGill Debating Union may take actions including but not limited to:

   a. Mediation

   b. Mandating an apology, either oral or written

   c. Anti-oppression training

   d. Suspension or temporary ban from MDU events, tournaments, etc...

   e. Removal from the MDU

Rules for Removal
1. If an action is deemed egregious enough to warrant removal from the club, the executive of the McGill Debating Union must vote to remove that person

a. Grounds for removal would be actions that pose a serious emotional, psychological or physical harm whether past or ongoing

3. In order for the removal vote to take place, there needs to be \( \frac{2}{3} \) of the Executive, rounded up, that is able to vote without a conflict of interest or personal abstention (i.e. at least 8 of 11 Executive members)

a. If this criteria is not met, then the vote would go to a hybrid of the remaining voting Executive and the CUSID Ombudsteam

3. Of those who are able to vote (without a conflict of interest and have not abstained), the motion for removal needs to pass with a \( \frac{2}{3} \) majority, rounded up (i.e. at least 6 out of 11 Executive members)

4. Anyone with a conflict of interest can not vote in this removal process, whether it be self declared, or if not self declared, then voted as having a conflict of interest by \( \frac{2}{3} \) majority of the executive

5. If removal is decided on as the appropriate course of action, then the MDU executive must produce a letter detailing the reasons for their decision to the affected member.

a. This letter will be presented at a meeting with the President or Vice President and MAL.

i. During this meeting the representatives of the MDU executive will explain what actions were reported that were in violation of this policy, why those actions are harmful and not tolerated and why we feel removal was an appropriate course of action

b. Depending on the nature of the equity violation, the executive may choose to invite an external actor (Ex: SSMU Equity) to help address the issue or act as a mediating force.

i. The accused has the right to request the presence of an external actor (Ex: SSMU Equity)

Appeal:

1. An immediate appeal can be made to the CUSID Appeals Committee in situations where the executive has removed the accused from the club
This appeal will involve the accused and the executive making their respective cases to the CUSID Appeals Committee

In instances of physical violence, sexual assault or harassment, there will not be an appeals process available to the perpetrator

For the purpose of this text the CUSID Appeals Committee is made up of the Central, West, East, and National Ombudspersons, as well as the CUSID President.

If that immediate appeal is not granted, then a second appeal can be made within 6 months to 5 years, at the discretion of the CUSID Appeals Committee, based on the egregiousness of the accused’s actions. That appeal will be made to a new executive of the MDU. In the situation where the executive is the same one that made the last decision, the second appeal should be made to the CUSID Appeals Committee.

Appeals should be made in situations where the accused feels circumstances have substantially changed or the punishment was disproportionate or unfair.

If a member is admitted back in on appeal, there will be a one strike policy, any other un-equitable actions will result in immediate termination.
