Initial Considerations

Fee Categories:

*Fee Calculations are approximations based on an average full-time student

Fee Process Phases:

Submission and Approval

- What is the current process for new fees to be approved?
- How are fee proposals evaluated?

Execution

- How are fee recipients accountable for managing their budgets?
- What recourse does the SSMU have to change fee amounts once they have been passed?

Renewal

- What is the process for renewing fees?
- What information needs to be provided for Legislative Council to be able to make an informed decision about fee renewal?
