### **Management Representatives to SSMU | *MUS* Update**

1. Online Frosh was a success; positive experience overall which fostered later involvement
2. Clubs & Activities night moved online + release of the Fall Involvement Package
3. Elected U0 (*Anne Khazzam*) and U1 (*Nabil Anouti*) Representatives to the BoD
4. All portfolios have been operating and setting up under the impression that Winter Semester will also be online; close to all in-person events have been cancelled and will continue getting cancelled; external competitions (JDC, HM, FO) have transitioned to being partially online
5. Online/zoom classes have received mixed feedback; overall positive experience for students but some issues have arisen and are currently being handled jointly with VP Academics and Faculty

*Notable Mentions from Summer 2020: successfully revised Electoral Policy for the first time in four years (incl. male/female clause) – notable effect on candidate turnout for the Fall Election*
