

Noah Merali – Services Representative

Report 19-11-2020

Hi everyone! I'm Noah and I'm the Services Representative. This is my second year in the position and the service I'm actually a member of is MSERT (I'm also their internal affairs coordinator). To make things more organized I will sort my work by committees.

Affordable Student Housing Committee

- UTILE (the group we are working with) are updating us regularly and things keep moving along
- Trying to get more community involvement/feedback
- We will be having an assembly on housing as well as a tenants rights workshop next semester so keep an eye out for that!

Services Committee

- Have our second meeting next week
- It's good to connect with all the services and see what they need
- Everyone seems to be doing as well as can be expected

Services Review Committee

- Beginning our review process
- Trying to figure out how to adapt things for this year
- We will be revising the way our grades and reports normally work to be more fair RE: the pandemic

Board Ad-Hoc Committee on Naming (BACoN)

- Going really well! Just going through and discussing various submissions, priorities etc.

I don't have any office hours but if you need to reach out for anything, my email is servicesrep@ssmu.ca

Respectfully submitted,

Noah Merali

Services Representative
