

Re-imagine McGill

MUSTBUS ISG Proposal
(McGill Student Transport)

McGill Student Transport - MUSTBUS

Weekends/Holidays
Fall 2021

A night-time photograph of the Toronto skyline. The CN Tower is the central focus, illuminated with a rainbow light band. Other skyscrapers are lit up with various colors, and the sky is dark with some clouds.

\$3.5 per semester

**Unlimited Weekend Travel to
Toronto/NYC/Boston for as little
as \$19 each-way**

85.7% Approval rating

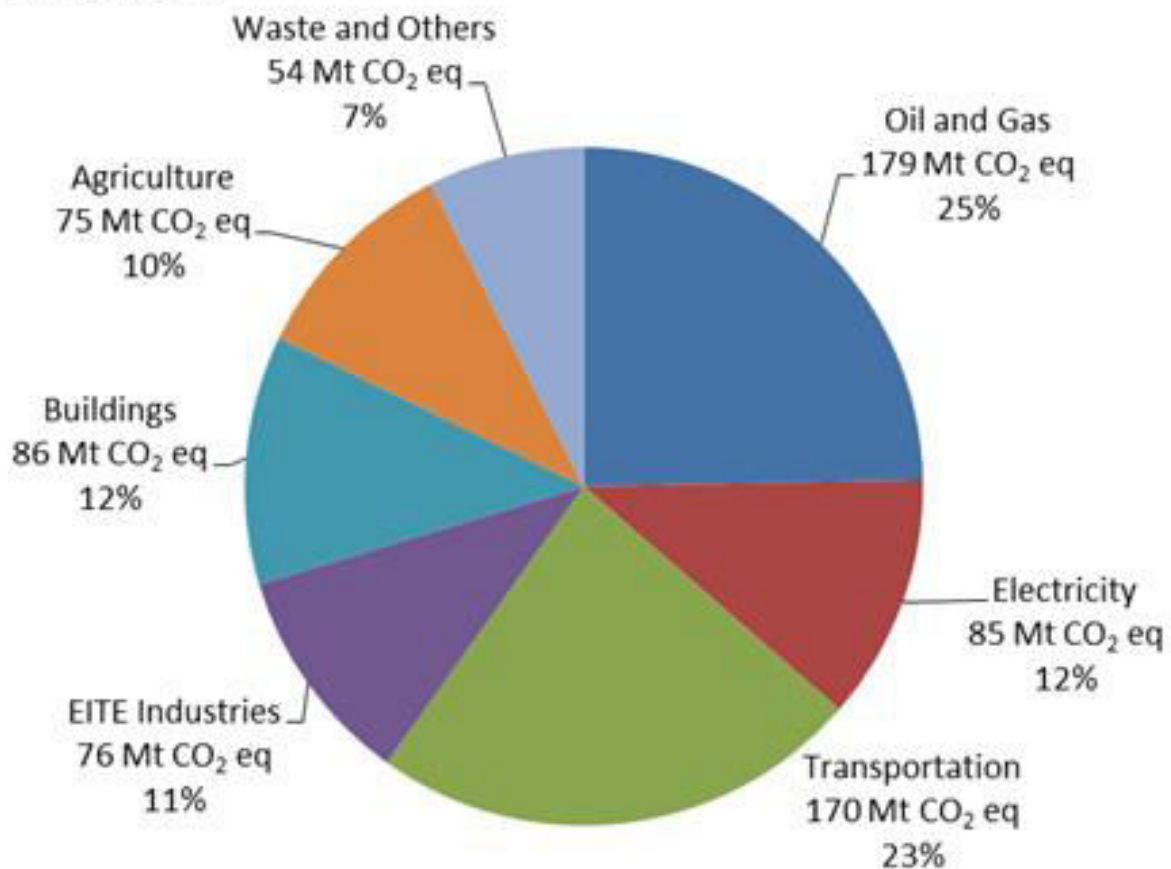

2020 Fall Referendum

Bus Co-Op Question

Option	Votes
Yes	3207 (85.7%)
No	536 (14.3%)

Why?

Economic Sectors

Emissions from different modes of transport

Emissions per passenger per km travelled

■ CO2 emissions ■ Secondary effects from high altitude, non-CO2 emissions

Note: Car refers to average diesel car
