Welcome to the Muslim Students' Association, the newest member of the Services Committee!

According to its Terms of Reference, the Services Committee “[serves] as a consultative body for the improvement of Policies related to the Society's Services. In addition, the Services Committee shall serve as a forum for the Society's Services to discuss ongoing projects and collaborate with each other.”

The Services Committee has met 5 times throughout the year on October 30th, November 27th, January 20th, February 24th, and March 24th. Major topics of discussion include building updates on access and moving, space agreements, coordinating promotion for programming and events, the Finance Commissioner's report on fees and more. Continuing into next year, the Services Committee shall be a venue for Services to discuss how to adapt themselves to in-person learning.
