Meetings

The Students' Society Programming Network (SSPN) meets weekly on Wednesdays from 9-10 pm.

Events

Over the course of the 2020/2021 year, SSPN has planned three free virtual events for SSMU Members.

Virtual Escape Rooms - March 27, 2021

This unique take on escape rooms puts participants through a series of challenging (virtual) rooms in which they have to solve puzzles, complete challenges, and race to the end in the least amount of time. The team who completes the virtual escape rooms in the fastest time wins.

Beer-O-Vision - January 23, 2021

Beer-O-Vision was a beer olympic style event that followed the theme of EuroVision. Participants took part in a handful of challenging events throughout the course of a night to earn points for their team. (Despite the name, none of the events required alcohol)

Scunt Through The Decades - November 20, 2020

SSPN presented a virtual scavenger hunt, *Scunt Through the Decades*, in which participants took part in a series of challenges to earn points for their team. The team with the most points won.
