Background and Rationale
There are several Committees of the Students’ Society of McGill University (“the SSMU”) Legislative Council that require Councillors to be appointed to fill existing vacancies.

Alignment with Mission
As per the Policy on Effective Committees, “at least [one] 1 SSMU Councillor” shall sit on a committee.

Consultations Completed

Risk Factors and Resource Implications
Should a Committee member not be able to attend the committee they were nominated to attend, a new member will be nominated to sit on said committee.
### Sustainability Considerations
To ensure the sustainability of SSMU’s operations, it is important that each Committee is well-represented by the undergraduate community, via Legislative Council members.

### Impact of Decision and Next Steps
The Speaker will coordinate with the Committee Chairs to let them know the contact information of the new members of each committee allocation respectively.

### Motion or Resolution for Approval
