

REPORT OF THE VICE-PRESIDENT (STUDENT LIFE)

Submitted for: 2021-10-28

For the period of 2021-10-14 to 2021-10-28

Student Groups (Clubs, Services, and ISG's)

- First Club Committee meeting on October 22, 2021

Went over protocols and rubrics for approvals and rejections

Reviewed Two groups applications

- First Service Review Committee meeting on October 27, 2021

Went over protocols and rubrics

- First Service Committee meeting on October 27, 2021

Updated all groups on events regulations, usage of SSMU building, and answered other questions.

Groups updated on their initiatives and projects

- MSERT First Aid Trainings are still ongoing and we're receiving great feedback
- Met with several students to answer questions about Events

Mental Health

- The Second roundtable meeting occurred October 25th
- Planning for Winter 2022 started

Projects

- The Student Group information form will now be available in a confidential format (only HR manager has access to the information to confirm that executives information given the liability this presents to the SSMU)
- Activities Night 2.0 Planning has been ongoing with a team of 30 volunteers, AN coord, Accessibility coord, sponsorship coord, and myself (The event is November 1,2,3)
- The SSMU website under the Student Life page will be formatted in order to ensure protocols are clear, as well keeping archives and updates on the portfolio
- Had the final internal consultations on the amendments of the Student Group Internal Regulations. Next steps are to present the amendments to club and service committee members for final suggestions

Office of the Vice-President (Student Life)

Tel: (514) 398-8944 | Fax: (514) 398-7490 | studentlife@ssmu.ca
