

Questions to the Legislative Council 2022-01-20

Submitted for: 2022-01-20

1. What advocacy is SSMU doing for the safe return to campus?
2. Are there going to be rapid tests on campus like in previous semesters or other facilities that the school is planning to offer to students such as the KN95 masks?
3. Are students being consulted for making the best decision for a safe campus return? If yes, how and how many?
4. Executives initially said the President's absence was a political issue that staff weren't involved with, but they are now characterizing it as an HR issue. What prompted this change in characterization?
5. Why doesn't the Society have an up-to-date copy of the Employee Manual on its website, pursuant to article 13.2 of the HR Policy?
6. What is the total budget of legal fees, and how much of it has been spent?
